

RIDING CAMP PACKING LIST

The following packing list is provided for your convenience. It is intended as a guide. Clothing is **not** laundered during a one week stay and **once** during a two week stay by a commercial laundry. Do not bring clothing that requires special handling.

Permanently label each article of clothing, shoes and personal items with the camper's name.

The clothing can be packed in a trunk and the linens in a laundry or duffel bag. The trunk should not be higher than 14 inches so it can be stored under the bed.

Riding Attire: Your daughter will need a riding hat that fits well and bears the seal of the Safety Equipment Institute ASTM-SEI. It is best to have the helmet fitted at a local equestrian shop. If you do not have a local shop, you might try j.b.creighton, an independent tack shop in Chevy Chase, MD, which is the preferred provider for Camp Rim Rock as they carry everything your camper will need and provide personalized expert helmet fitting services in-person at the store or virtually via Zoom. Please visit the "Campers" section of www.jbcreighton.com or email jbcreightonstore@gmail.com. You should have shoes designed for horseback riding. Your riding shoes can be either boots or tie shoes with a defined heel. The heel should be no higher than one inch; sneakers and hiking boots are not acceptable for riding. You may ride in jeans or any long pants. Tank tops are not permitted for riding — a shirt that covers the shoulders must be worn.

ITEMS TO LEAVE AT HOME

Food, cell phones, video players, electronics requiring an electrical outlet and weapons of any kind are prohibited. We discourage you from bringing valuable personal items to camp. Camp is not responsible for lost, stolen or damaged items.
